

# JAMESTOWN PELLET STOVES®

## \$100.00 our gift to you.

We know that as a Jamestown Pellet Stove owner you love your Stove and want to tell others.

We want you to earn some well deserved “**extra cash**” just for telling people about a product you know and love.

The Jamestown Pellet Stoves Referral Program is designed to do just that.

We at Jamestown Pellet stoves are going to offer **you** a **\$100 dollars** for each person you refer to one of our dealers, or us directly, who purchase a Jamestown Pellet Stove.

### **Here's how it works:**

- You purchase, or already own a Jamestown Pellet stove and refer someone who purchases a new Jamestown Pellet Stove from one of our dealers or direct from the corporate office, and **we send you a \$100.00 check!**
- You must send in the proof of purchase with your stove serial number, your name, address, phone number, as well as the referred new Jamestown owner's name, address, and phone number. (See the attached form)
- The referred friend or relative now also has the opportunity to refer others and earn extra cash as well.
- The promotion ends January 31, 2012.

**WOW!!** What are friends for if they can't help each other!!! There is no limit to the number of referrals you can be rewarded for. We have attached two coupons' to get you started. Please feel free to make copies and if you run out of forms simply call us and we will send you more, or visit our web page and print one off.

We are not asking you to do any hard selling; instead this meant to be a social process. As a Jamestown Pellet Stove owner you may have friends over that express interest in the stove or perhaps they want to tell their friends at work. It is a great opportunity for you and it is our job to make sure you know about it.

If you have any questions about the referral program, please feel free to call in or e-mail Jamestown Pellet Stoves Corporate Office located in Thunder Bay, Ontario.
